Boardworks is a publisher of a complete range of software designed for whole class teaching on interactive whiteboards and projectors. Offering coverage of the New Zealand curriculum as well as the IGCSE specifications for ages 11–18, Boardworks ready-made lessons are packed with interactivity to motivate all your students.

This is a one-time purchase that provides a lifetime site licence. Once installed on your school network, you can use it on every Windows computer in your school. An electronic download of any software is free but please add \$20 bank charges. CD-Rom copies will incur an additional charge of \$70 + \$20 bank charge.
