

What's Included?

In Spring 2009 Boardworks KS3 Design & Technology was fully revised to match the QCA Programme of Study for KS3. Here you can find all the details of this comprehensive upgrade, which costs £249.

Covers the new Programme of Study	The product has been completely revised to offer complete coverage of the 2008–09 Programme of Study and is accompanied by a detailed mapping grid to show where each concept and process is covered.
Lots of new material	Eighteen brand-new presentations have been added to the product, with every other presentation thoroughly revised. There are now 53 presentations across Food Technology, Textiles Technology, Resistant Materials and Systems and Control.
Up-to-date, topical content	The new presentations cover up-to-date topics including environment and sustainability, and there is a new focus on healthy eating in the Food Technology unit to help students think about their food choices.
Cross-curricular projects	Three new innovative cross-curricular mini-projects cover Environment and Sustainability, Modern Japan, and the 1960s, each supported by assignment slides for independent learning.
Videos of industrial processes	There is new material on industrial processes across the product, including 10 completely new videos demonstrating techniques from moulding processes to cake decoration.
Packed with more interactivity	The resources are packed with even more interactivity – there are now over 500 exciting interactive slides including games, quizzes, animations and activities.
Worksheets and recipes	Every presentation is accompanied by new printable worksheets to make planning and homework-setting easier, and the Food unit includes a recipe bank of over 30 healthy recipes.
Lesson objectives and key terms	Every presentation starts with a detailed learning objectives slide and concludes with a key terms and key points slide.
Improved illustrations	All the photographs and artwork in the resource have been improved to make concepts even clearer.

To order your copy of the KS3 D&T upgrade for £249, call 0845 0 300 400, visit <http://www.boardworks.co.uk/dandt> and click on pricing, or e-mail sales@boardworks.co.uk.
