

What's Included?

In Summer 2009 the Boardworks KS3 English product was extensively rewritten in line with the renewed KS3 Framework. Here are all the details of this comprehensive upgrade, which costs £399.

Covers the renewed KS3 Framework	The product has been completely updated to reflect the changes to the renewed Framework for Secondary English. Now including the brand-new English Grammar and Skills Toolkit, the Boardworks KS3 English upgrade offers complete coverage of the renewed Framework for KS3 English.
Lots of new material	Hundreds of new and re-written slides added throughout the product in line with the renewed Framework objectives. The new material includes four times as much audio, a wealth of new artwork and photographs, two downloadable short stories with accompanying presentations and brand-new worksheets.
New presentations added	New presentations cover Analysing Language, Media and Speaking and Listening. Integrated drama activities have also been added throughout the product in line with the renewed Framework objectives.
Packed with more interactivity	The resources are packed with even more interactivity – with one in four of slides now containing interactive activities, our resources will continue to engage your students and bring your English lessons to life.
Supports an APP (Assessing Pupils' Progress) approach	Teacher's notes offer suggestions for using APP in learning objectives and provide opportunities for self-assessment, whilst the traffic light system has been introduced to worksheets.
Brand-new worksheets	New extension activities and differentiated, editable worksheets to cater for students of different levels are now included, helping you to adapt the lessons to the needs of your class.
Improved illustrations	All photographs and artwork in the resource have been improved to make concepts even clearer and provide context to students' learning.
