

What's Included?

Boardworks OCR Level 2 Nationals in ICT has been fully updated in line with the new 2010–11 specifications. Here you can find all the details of this comprehensive upgrade, which costs £149.

Covers the new 2010 specifications	Boardworks OCR Nationals has been fully updated to match the 2010 specifications, providing extensive coverage of Units 1 and 21 of the new qualification across 600 interactive slides.
Extensively restructured	The product has been extensively restructured and disaggregated. The two units are mapped to each AO learning objective (6 per unit) with various sub-chapters.
New worksheets, student tasks and weblinks	New worksheets and student tasks have been added. A section dedicated to weblinks is useful for putting the topics in context.
Improved Flash activities	More Flash activities have been included to make learning more interactive and kinaesthetic.
Improved front end	An improved front end, organised by unit and Assessment Objective, allows for easy navigation.
Grading criteria	Grading criteria slides inform students of the differences between pass, merit and distinction, helping them understand how to move up to the next level.
