## Fernhill School & Language College

Farnborough, Hampshire

Danielle Griffiths is the Assistant Head of Yr 10 and teacher of Physical Education at Fernhill School & Language College in Farnborough. Her department use Boardworks KS4 resources extensively in their teaching on their interactive whiteboards.

Danielle comments: “We use Boardworks PE in nearly every lesson. The students respond really well to the presentations because they’re visual and the information is presented in a way that is easy to understand. I like using the exam-style questions at the end, which are great to set for homework.”

The department use Boardworks to help plan their lessons and have incorporated the use of Boardworks KS4 PE into their overview for the year. Danielle comments: “What we particularly like about Boardworks is definitely the interactive tasks– we often use those. The pupils really like the fact that they can work together on them as a class and I think are aimed at just the right level.” Danielle concludes: “I think Boardworks is easy to use and it works really well.”
