

# What's Included?

**Boardworks BTEC First Business has been extensively updated to offer comprehensive coverage of Edexcel's new 2010 specification. Here you can find all the details of this upgrade, which costs £199.**

<b>Covers Edexcel's new 2010 specification</b>	Boardworks BTEC First Business has been extensively updated to offer comprehensive coverage of the new 2010 specification for the BTEC First Certificate, Extended Certificate and a wealth of material for the Diploma.
<b>Extensively restructured</b>	The product has been extensively restructured to offer comprehensive coverage of the new core units for the 2010 specification: Unit 1, Business Purpose; Unit 2, Business Organizations; Unit 3, Financial Forecasting for Business; and Unit 4, People in Organizations. Boardworks will also offer comprehensive coverage of the additional units: Unit 11, Developing Customer Relations; and Unit 15, Bookkeeping for Business.
<b>Brand-new grading grids</b>	Brand-new grading grids map the new content to Edexcel's 2010 specification, showing the requirements for achieving pass, merit and distinction, and mapped to Personal Learning and Thinking Skills.
<b>Lots of new material</b>	With a wealth of new presentations to cover the new units, BTEC First Business now includes brand-new case studies, practice assignment slides marked with grading criteria, and new exciting activities that simulate workplace scenarios to introduce students to the world of work.
<b>Packed with more interactivity</b>	One in three slides now contain interactive activities, and many activities have been added and updated.
<b>Improved illustrations</b>	Artwork and photographs have been extensively updated and improved to add colour to lessons and bring the business sector to life.
