

What's Included?

Boardworks KS3 Music was extensively rewritten in 2009 to match the revised Programme of Study for KS3. Here you can find all the details of this comprehensive upgrade, which costs £149.

Covers the revised Programme of Study	Boardworks KS3 Music has been updated to reflect changes to the KS3 Programme of Study, and now follows the suggested Scheme of Work for KS3 Music.
Lots of new material	New and rewritten slides have been added throughout the product in line with the revised Programme of Study. The new material includes printable worksheets, exciting interactive activities and useful audio clips.
New presentations added	New content has been added to cover the revised Programme of Study, such as a presentation covering copyright and royalties, and weblinks providing students with more examples of music in context.
New improved audio	Over one in three slides now contains embedded audio from a new sound player with improved functionality.
Brand-new worksheets	All worksheets have been revised and redesigned, helping you to adapt lessons to the needs of your class, and 12 brand-new worksheets have been added.
Better navigation	The new interactive menu system facilitates navigation and allows easy access to the contents guide and mapping grid, while new icons flag up activities which test the core musical skills of listening and appraising, composing and performing.
Improved artwork and design	New artwork and a fresh design have been incorporated throughout, as well as more audio clips and photographs of musical instruments to hold your students' attention and make demonstrations easier.
