

What's Included?

For Spring 2011, Boardworks GCSE Science has been extensively updated to match the 2011 GCSE specifications. Here you can find all the details of this comprehensive upgrade, which costs £399.

Covers the revised 2011 specifications	Boardworks GCSE Science has been extensively updated in line with the new 2011 specifications, comprehensively mapped to the AQA A Science, OCR Gateway, OCR 21st Century and Edexcel syllabuses.
Lots of new material	The resources now contain over 2,000 slides of teaching material across over 100 interactive presentations in line with the revised specification.
New focus on Controlled Assessment	Three brand-new presentations have been added to help support your teaching of the Controlled Assessment requirement in the 2011 specification.
More material for 'How Science Works'	The updated resource contains increased focus on 'How Science Works' skills, and icons have been added to indicate which slides cover this material.
Brand-new worksheets	Over 100 printable and editable worksheets have been added, many related to evaluating practicals, helping you to adapt lessons to the needs of your class and offering ideas for extension work.
New interactive menu system	A new interactive menu system allows you to navigate the resources by topic or by specification, making it easy for you to find and select the material you want to teach.
More interactivity	Brand-new animations, virtual experiments, activities, quizzes and games have been added to cover the new material in the 2011 specification.
Brand-new videos	Seven brand-new videos have been added to help your students see science in context.

To order your copy of the GCSE Science upgrade for £399 call 0845 0 300 400, visit www.boardworks.co.uk/science and click on pricing, or e-mail sales@boardworks.co.uk.
