

# Where does Separate Sciences fit in?

GCSE  
Biology

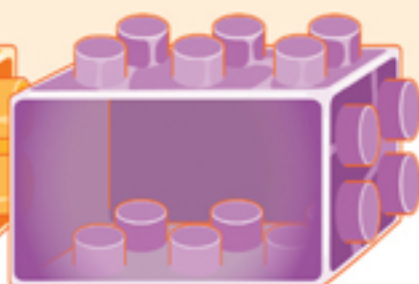

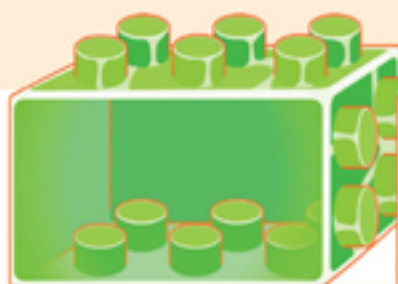

GCSE  
Chemistry

GCSE  
Physics

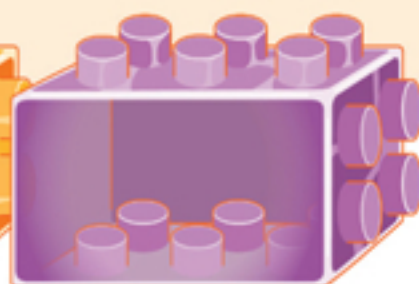

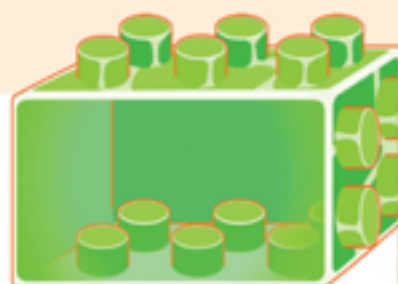

GCSE  
Separate  
Sciences

GCSE  
Additional  
Science

GCSE  
Science

Boardworks GCSE Separate Sciences has all the extra content you need to teach GCSE Biology, Chemistry and Physics as separate GCSEs, completing the Boardworks GCSE Science and GCSE Additional Science software. As the above matrix shows, you can also purchase GCSE Biology, GCSE Chemistry or GCSE Physics separately. These products contain the subject-specific content you need to teach GCSE Science, Additional Science and Separate Sciences.
