

# What's Included?

In July 2008 a new, completely rewritten version of Boardworks KS3 Maths Toolkit was published for 2008–09. Here you can find all the details of this comprehensive upgrade, which costs £399.

<b>Mapped to the 2008 Framework</b>	Boardworks KS3 Maths Toolkit is mapped to the current Programme of Study and renewed Framework across the Number, Algebra, Geometry and Measures, and Statistics strands.
<b>Interactive menu system</b>	The interactive menu system allows you to choose activities either by topic or by which learning objective you want to teach, offering complete freedom to browse the resources as you see fit.
<b>Fully reconfigurable activities</b>	All 21 activities can be configured in a multitude of ways, ensuring that the material is always appropriate for the ability of your students. 'Quick start' activities offer a combination of pre-configured useful settings, to save time and help focus your lessons.
<b>Help always available</b>	Help is easily available for every activity through the question mark icon, explaining the activity's controls and containing a guide to the options in the configuration panel.
<b>Interactive tool bar</b>	An interactive tool bar containing a wide selection of writing tools, measuring tools and draggable objects makes demonstrations easy and allows students and teachers to interact with the activities on-screen.
<b>New video guided tour</b>	A video guided tour presented by the Boardworks Senior Maths Editor takes you through the new structure of the product, the available tool bars, and the varied activities, helping you to get to grips with the resources quickly.
<b>Printable teacher's notes</b>	Printable teacher's notes outline ways in which each activity can be used to teach individual year groups and offer tips for covering every objective of the renewed Framework.

To order your copy of the KS3 Maths Toolkit upgrade for £399 call 0845 0 300 400, visit [www.boardworks.co.uk/maths](http://www.boardworks.co.uk/maths) and click on pricing, or e-mail [sales@boardworks.co.uk](mailto:sales@boardworks.co.uk).
