

What's Included?

Boardworks BTEC First Travel and Tourism has been extensively updated to offer comprehensive coverage of Edexcel's new 2010 specification. Here you can find all the details of this upgrade, which costs £199.

Covers Edexcel's new 2010 specification	Boardworks BTEC First Travel and Tourism has been extensively updated to offer comprehensive coverage of the new 2010 specification for the BTEC First Certificate, Extended Certificate and a wealth of material for the Diploma.
Extensively restructured	The product has been extensively restructured to offer comprehensive coverage of the new core units for the 2010 specification: Unit 1, The UK Travel & Tourism Sector; Unit 2, Understanding Customer Service in Travel & Tourism; and Unit 3, The Nature and Effects of World Travel. Boardworks will also offer comprehensive coverage of the additional units: Unit 4, Development of the UK Travel & Tourism Sector; Unit 5, Developing Customer Service Skills in Travel & Tourism; and Unit 6, UK Tourism Destinations.
Brand-new grading grids	Brand-new grading grids map the new content to Edexcel's 2010 specification, showing the requirements for achieving pass, merit and distinction, and mapped to Personal Learning and Thinking Skills.
Lots of new material	With a wealth of brand-new presentations to cover the new 2010 specification, BTEC First Travel and Tourism now includes new real-life case studies and activities that simulate workplace scenarios to put theory in context, as well as new interactive maps and practice assignment slides.
Packed with more interactivity	One in three slides now contain interactive activities, and many activities have been added and updated.
Improved illustrations	Artwork and photographs have been extensively updated and improved to add colour to lessons and bring the travel and tourism sector to life.
